ACCREDITATION

ZUVIUS - A Culture of Quality

Zuvius Lifesciences head quartered in Mumbai, India, is an integrated; research based Pharmaceutical Company focussed on super speciality products. The company specializes in chemotherapeutic formulations offering a diverse array of innovative solutions and therapies each of which plays an important role in providing solace and comfort to people. Trusted by healthcare professionals and patients across the globe, the company is backed by the finest talents of the Pharmaceutical industry.

ZUVIUS - Strong Foothold in Indian Market

Zuvius Lifesciences is recognized as one of the leading manufacturing company in the oncology sector. With the aim of providing quality products of international standards, the company has been successfully serving the cancer patients since last two decades. We have been organizing many award-winning cancer awareness campaigns in India.

Zuvius Lifesciences have always been successful in continuous supplies at key Cancer institutes and Research Centers across Govt and top non-governmental institutions in India.

Mr. Nimish Thakkar

Chairman & M.D.
Clinical Pharmacist

Mr. Nimish Thakkar, a versatile CMD, successfully launched Zuvius in 2005 from an emerging pharmaceutical player to brand leader in oncological segment and marking its presence in around 45 countries worldwide.

Dr. Ulhas Ganu

Technical Director
Ph.D. in Biochemisry (Cancer Research)
Ex. Cancer Research Scientist in TATA Memorial
Hospital, Mumbai.

Dr. Ulhas Ganu heads our technical team for quality assurance. He has shaped Zuvius Lifesciences products portfolio very well to suit the needs of medical fraternity.

Ensuring Quality

For a better quality of life, we follow stringent quality norms. Our medicines adhere to internationally recognized pharmaceutical standards. Our formulations are created with the latest of technologies. We shall further harness the potential of R & D in a big way.

Today, if we bring a healthy smile to someone in Mumbai, tomorrow, we'll bring joy to someone in Mexico.

- ✓ Quality that is trusted by leading Oncologists across the World
- ✓ Consistent Quality assured batch after batch backed by chemical and instrumental analysis (Chromatography/ HPLC analysis)
- ✓ Our Oral formulations ensure high dissolution, better bio availability, hence Efficacy
- ✓ Products exported to over 45 countries across Asia, Africa and European continents
- ✓ Our future endeavors are streamlined towards enriching the portfolio with unique products and advanced formulations. The yardstick of our success is not our achievements but is the glow of good health on everyone's faces
